# Quiz #8

In this quiz you must write CSS that will replicate the behavior and appearance of a given HTML file, as visualized below:

320 pixel wide screen / 640 pixel wide screen:

1024 by 768 pixel screen

Use the provided HTML and CSS files as a launch pad. Include your name in the appropriate location in the HTML file, but DO NOT modify anything else in the file. No additional selectors are required in the CSS file.
